Join AYSO in "Make a Difference Day"

Have you ever wanted to make a difference in your neighborhood, community or even world? Well, your team at the AYSO National Support and Training Center (NSTC) has a great way to help you realize that goal. On Saturday, Oct. 24, we will participate in the national "Make a Difference Day." For this event, AYSO employees will support a local food pantry by collecting and donating canned and packaged foods from our staff and neighbors.

The NSTC invites our Regions to participate in the national "Make a Difference Day" by collecting goods for their local food pantry as well. Ask your players to bring canned goods to their game and to collect more, ask neighbors to contribute to your drive. It is an easy way for you to make a difference in your area.
