

Information from Area Meeting
2/20/2008

Information from last night's meeting (not including information regarding this weekends tournament)

Reminder U16 U19 referee coaches meeting is Thursday Feb 28 at the AQMD. Referees at 6, coaches at 7. Please pass on to your coaches and referee staff.

We need to know who has what fields...If Bev has already been notified and information sent to Ken in area B, I apologize for the redundancy but I would rather make sure we have the accurate info than assume we do.

Area U will be playing 9v9 in U12 starting in the fall 2008 season.

I still need to know who you are sending to help at the section playoff on March 1.
(Steve...I noted that you will be there, thanks)

Mohamed still needs to hear from all of us regarding who we are sending as referees for the section playoffs on both weekends.

No meeting scheduled for March...we will meet at Section Conference...question which day, when and where. (my thought briefly over lunch on Saturday, but I am open to other brilliant ideas.)
